Level 3 Diploma in Health and Social Care

Credits	Awarding body	Delivery mode
60	Qualifi, UK	Online

This qualification can progress learners to the Level 4 Diploma in Health and Social Care. It will explore basic human development, legislative frameworks and protocols, look at how care is accessed and provided in the UK, together with examining core approaches to service users. The qualification provides learners with an introduction to the health and social care sector as well as key academic, research and communication skills to support learners in their development.

Level 3 Diploma in Health and Social Care is a 60 credits qualification and is designed to provide students with the opportunity to progress to higher diploma levels and gain relative experience and knowledge.
